NOVEMBER SPOTLIGHT

Suzette 26

Inspired by the iconic Crêpe Suzette served at the Ritz Restaurant, a timeless symbol of French elegance and tableside tradition, this cocktail reimagines the classic dessert in liquid form. Legend has it that Crêpe Suzette was created by Henri Charpentier in 1895 for the Prince of Wales, the future King Edward VII, following a fortunate culinary accident. A splash of liqueur caught fire, transforming the sauce into something unexpectedly delicious. The Prince was so taken with the creation that he suggested naming it after a young lady in his company, Suzette. Courvoisier VSOP, Vanilla, Orange Distillate, Brown Butter, Whey. Crafted in collaboration with Courvoisier
