CANTON BLUE

THE PENINSULA LONDON

À LA CARTE

Canton Blue draws inspiration from the legendary voyage of the Keying, the historic Chinese junk that sailed to Britain along the Maritime Silk Road, carrying tea, silk, porcelain and culture between East and West. Inspired by Hong Kong's unique role as a meeting place of cultures, Canton Blue presents a contemporary interpretation of Cantonese cuisine, inviting guests on a culinary journey that bridges tradition and innovation.

HOW TO READ THIS MENU

The house marks its chef's recommendations and its plant-based dishes beside the dish.
