

NOMADIC LIFE STYLE

House of Nomad is filled with life's unexpected experiences – initially surprising but ultimately intriguing. We want to keep our guests curious and excited for “what's next?” at every step of their journey.

The flavours we produce and elixirs we concoct are familiar yet surprising; close to the heart yet far from home. Just as nomads of old sojourned, from place to place finding a home, our food and drink creations take you on a sensory journey filled with adventure.

Every step of your journey at House of Nomad brings with it excitement and a true sense of place. We don't just want to be a hotel “destination bar” - at House of Nomad, we live to bring destinations to you.
