

Zhēn Zhū

The Rare Pearl

Held within the calm of Lake Pichola and the timeless hush of this palace, Zhēn Zhū carries the spirit of things discovered, not declared. Flavours travel here from far-away coasts, meeting the stillness of Udaipur with quiet finesse and thoughtful imagination. Every dish is a moment suspended—a murmured echo of the East, shaped by light, water and time.

Turn the page, and let the journey find you.
