MARBLE ARCH

JAI MAHAL PALACE

MULTI-CUISINE ALL DAY DINING

The very name "The Marble Arch" resonates with the grandeur and rich heritage of this majestic Palace. The historical journey of the Marble Arch originates from being a spacious open living room just located besides the original porch of the Palace to being a contemporary all day dining restaurant. Marble Arch restaurant gets its name from the elegant marble pillars dated 1745 and archways that grace its interiors.
