

Boundaries blur as continental meets oriental and the arctic
sits right beside equatorial. Textures, flavours, and colours
all come together in cuisine suitably sensorial.
And, for a view more pictorial, dine al-fresco at our
tree line terrace. Take in bird calls, the mist, and cotton-ball clouds
by day or a canopy of stars, at eventide.
Enjoy your time at Fern Tree.
The best of nature's bounty is yours to feast on.
