LAURENT-PERRIER AT THE SAVOY

THE PERFECT YEAR WITH LAURENT-PERRIER

Bernard de Nonancourt created Grand Siècle from a simple conviction: even an exceptional vintage could not, alone, create his vision of the perfect year. Only assemblage could unite lasting freshness with the depth and complexity earned through time. Grand Siècle therefore brings together three exceptional years, Chardonnay and Pinot Noir from eleven of Champagne's seventeen Grands Crus, then rests in the cellars for at least ten years. The result is not a non-vintage champagne, but a numbered iteration - a rare expression of balance, precision and generosity. Inspired by the words of Lucie Pereyre de Nonancourt, fourth-generation family owner, Maison Laurent-Perrier.
