

RISALA

Risala, synonymous to “Cavalry”, celebrates the acclaimed victory of the Jodhpur Lancers against the combined forces of the Ottoman Empire, Nazi Germany and it’s allies at Haifa in 1918. Lifesize royal portraits of His Highness Maharaja Sardar Singh, Sir Pratap Singh, His Highness Maharaja Sumer Singh and His Highness Maharaja Umaid Singh pay tribute to the valour of these royal men.

Risala presents a blend of imaginative and sumptuous Rajasthani and North-West Frontier cuisine offered amidst sophisticated and opulent interiors with spectacular views of the Bougainvillea gardens. Guests can revel in the time-tested and authentic local tastes passed down through generations by the masters of the Royal Kitchens.

Choose to pair your culinary experience with beverages of your choice from a collection of international and domestic wine labels from the most celebrated regions across the world. Indulge in the special Umaid Bhawan Private Label, specially curated and favoured by the Royal Palate.

DEGUSTATION MENU

Degustation, a term coined by the French for a tasting menu is a culinary concept that focuses on the gustatory system by savouring the food with all the senses. The menu offers small sampling portions of chef's signature Indian dishes with unique creations and pairings.

The authentic local and North-West Frontier flavours present a gastronomic diversity for the palate, best appreciated over a leisurely dining experience amidst sophisticated and opulent surroundings.

It is truly a canvas of tastes from across the country and presented innovatively with generous use of the choicest home grown organic herbs and spices.

As per the guidelines issued by Food Safety & Standards Authority of India (FSSAI) an average active adult requires 2000 kcals of energy per day. However, the actual calories needed may vary per person
